PROFESSIONAL SUMMARY

I am a passionate **Cybersecurity Specialist and Computer Technologist** dedicated to protecting systems, networks, and data from digital threats. With hands-on experience in **ethical hacking, network security, system hardening, and IT infrastructure management**, I provide practical cybersecurity solutions to individuals and organizations. I'm equally skilled in **training, mentoring, and implementing modern security tools and frameworks** that strengthen digital resilience.

EXPERIENCE

Cybersecurity / IT Specialist Intern — Fixlab Technologies Ltd
Port Harcourt, Nigeria | May 2023 – Present

- Provide cybersecurity support and network defense services for clients.
- Assist in system hardening, endpoint protection, and vulnerability assessment.
- Support cybersecurity training under **Fixlab Academy**, promoting hands-on technical learning.
- Collaborate on ethical hacking labs and security awareness programs.

IT Support Specialist — Johnee System Technology
Abak, Akwa Ibom | Sep 2020 – Jan 2023

- Provided hardware and software technical support to clients.
- Troubleshot network issues, managed data backup, and maintained system reliability.
- Supported deployment and maintenance of IT infrastructure, improving efficiency and uptime.

EDUCATION

Ahmadu Bello University (DLC)
Zaria, Nigeria | 2023 – 2026
B.Sc. Computer Science
Gained strong foundations in programming, database systems, algorithms, and cybersecurity concepts. Worked on academic projects related to computer networks and ethical hacking.

St. Mary's Science College
Ediene Abak, Nigeria | 2014 – 2020
SSCE (Senior Secondary Certificate Examination)
Focused on Science and Technology with strong academic performance and early interest in computing.

Q.I.C Group School
Uruk / Ikono, Nigeria | 2008 – 2014
FSLC (First School Leaving Certificate)
Completed primary education with strong academic performance and foundational computer literacy.

CERTIFICATIONS & LICENSES

- **Certified Ethical Hacker** — *Cisco Networking Academy, 2025*

  Completed an intensive hands-on cybersecurity program covering ethical hacking, penetration testing, and network defense using Cisco and industry-standard tools.

- **Google Cybersecurity Certification** — *Google, 2023*

  Trained in network defense, cloud security, incident response, and vulnerability management. Learned to apply industry-standard tools and frameworks for real-world cybersecurity operations.

TECHNICAL SKILLS

Skill	Level
Linux Administration & Hardening	Expert
Network Security & Defense (IDS/IPS, Firewalls, SIEM)	Expert
Ethical Hacking & Penetration Testing	Expert
Python Programming	Experienced
Database Security (MySQL)	Skillful
Training & Mentorship in Cybersecurity	Expert

HOBBIES

⚽ Football 📖 Reading 🎤 Singing
